

Rooted & Rising Roadmap

Application 01

Call or email us to schedule an appointment to turn in and review your application and documentation in person at our office at 2413 Nashville Road.

02 Verification & Processing

Habitat's staff will review your application to verify your household income, proof of homeownership, property taxes, insurance, and mortgage status.

Construction Assessment 03

Habitat's construction team will schedule a walkthrough with you at your home to inspect and document the requested repairs.

04 Cost Estimate

Habitat's construction team will obtain quotes from licensed contractors to address the critical repairs within our scope of work.

Closing 05

Habitat's staff and their attorney will prepare a Homeowner Agreement, Scope of Work, and, if applicable, a Forgivable Mortgage. At closing, the homeowner(s) will sign all necessary documents and pay a one-time partnership fee of \$100.

06 Construction

Habitat will oversee the construction of the repairs done in your home in accordance with the Scope of Work.

Certificate of Completion 07

Once all repairs have been completed and no additional work will be performed, a Certificate of Completion will be signed by both you and a Habitat team member. Your one-year construction warranty will be activated upon signing.
